Sample Trust and Will Language

An estate gift is an extension of your vision -- an expression of your values -- for the world you hope to create for the next generation. Thank you for choosing to create your legacy with the National Conflict Resolution Center. Together, we will empower people and transform cultures.

The passage below allows you to make a gift to NCRC, which will be used at the discretion of the Board of Directors for the organization's highest and most urgent needs - allowing us to focus on innovative conflict resolution training, restorative justice programs, community mediation services, and organizational development. If you would like your gift to support a specific program or purpose, we would be happy to help you craft this language as well.

"I give [insert dollar amount, property to be given, percentage of estate, or "the remainder of my estate"] to the National Conflict Resolution Center, a California nonprofit organization, having its principal office at 530 B Street, Suite 1700, San Diego, CA 92101, to be used for the furtherance of its charitable purposes in the discretion of NCRC's board of directors."
